PREFAȚĂ

Partidul Comunist Român(PCR) a fost un partid politic creat în anul 1921 ca rezultat al scindării ramurii bolșevice de extremă stânga de Partidul Socialist din România. În România interbelică PCR a fost o mică organizație politică ilegală, subordonată Cominternului și implicit Uniunii Sovietice care a susținut ideologic revoluția comunistă.

Partidul comunist și-a început ascensiunea la putere în România de după Actul de la 23 August 1944, la care a participat ca parte din Blocul Național Democrat (BND). Apoi, conform strategiei staliniste și cu sprijinul trupelor sovietice, PCR și-a eliminat treptat adversarii. După abdicarea forțată a regelui Mihai I a instaurat Republica Populară Română.

Între 1947 și 1989 PCR a fost singurul partid politic oficial din România. În articolul 3 al Constituției României din 1965, PCR era numit „forța politică conducătoare a întregii societăți din Republica Socialistă România”. Sub conducerea PCR în România a fost instaurată Dictatura Proletariatului, în economie s-a instituit dirijismul, societatea civilă a fost practic distrusă de principiile dictatoriale ale PCR, iar cenzura a sufocat libertatea de gândire. „Și totuși oricare ar fi judecata istoricilor în viitor, este azi evident că globalmente vorbind experiența comunismului pentru români a fost traumatică. În economie a înlocuit spiritul întreprinzător cu controlul centralizat; în politică și viața socială a înecat societatea civilă în instituții fără integritate; în viața intelectuală a sufocat libera expresie a spiritului uman, și cel mai grav, a adus prejudicii incalculabile moralei colective prin proliferarea legilor și disprețul pentru lege.”

După modelul sovietic, s-a trecut la planificarea economiei, elaborându-se așa-numitele „planuri cincinale”. Strategia planificării economiei naționale ca o corporație unică și trecerea de la economia preponderent agrară la economia preponderent industrială. Industrializarea a implicat strămutarea la oraș a unui segment important al populației rurale, un efort de urbanizare, simultan cu creșterea nivelului de școlarizare și pregătire profesională.

Perioada anilor 1950 a fost marcată pe plan politic de ceea ce a fost definită de însuși limbajul ideologic comunist ca „lupta de clasă”, încadrată în regimul politic al dictaturii proletarietului, ceea ce a însemnat consolidarea continuă a unui sistem de guvernare și organizare a societății în chip totalitar, partidul politic unic, comunist, tinzând să controleze societatea pe toate planurile.

Din punct de vedere organizatoric PCR a fost organizat și a funcționat pe criteriul administrativ teritorial și a cuprins: **organizații de bază, organizații locale și organizații județene**. Organele de conducere ale PCR erau : Adunarea Generală a Organizației de Bază, Conferința organizației Locale sau de Sector, Conferința organizației Județene sau a municipiului București, Comitetul Central și Congresul. Organele de conducere executive ale PCR erau : Biroul Organizației de Bază(BOB), Comitetul Organizației Locale sau de Sector, Comitetul Județean sau a municipiului București și Comitetul Politic Executiv. Organele de conducere ale partidului, la toate nivelele, erau formate din membri de drept și membri aleși.

Organizația de Bază, compusă din 3-50 membri, era forma organizatorică de bază a partidului, fiind constituită pe raza unei localități sau subdiviziuni a acesteia: sat, cartier, sector al municipiului București. În cadrul acesteia s-au constituit **Grupe de**

Partid, formate din 3-10 membri, care funcționau, de regulă, pe raza unei secții de votare și erau conduse de un organizator de grupă.

Organizația Locală era constituită pe raza unei unități administrativ-teritoriale locale: comună, oraș, municipiu sau sector al municipiului București și era formată din cel puțin două organizații de bază.

Organizația Județeană a cuprins toate organizațiile locale de pe raza teritorială a unui județ iar Organizația municipală București, toate organizațiile de sector de pe raza teritorială a municipiului București. Organele de conducere ale acestei Organizații Județene și ale municipiului București au fost: Conferința, Comitetul Județean sau al municipiului București.

În cadrul partidului existau următoarele categorii de membri: membri activi și simpatizanți. Putea deveni membru al PCR orice cetățean român cu drept de vot care împlinea vârsta de 18 ani, care se angaja să respecte scopul și obiectivele înscrise în Statutul și Programul politic și nu a desfășurat acțiuni sau comis fapte care să prejudicieze partidul.

Membrilor PCR care nu respectau prevederile Statutului și Programului politic, hotărârile prin referendum, deciziile organelor de conducere executive și alte documente de partid, li se aplicau următoarele sancțiuni: **muștrare** sau **avertisment**, **vot de blam**, **suspendarea** sau **revocarea din funcțiile de conducere**, **retragerea sprijinului politic** și **excluderea din partid**. Sancționarea membrilor de partid se hotăra în cadrul Adunării Generale a Organizației de Bază din care aceștia făceau parte.

Calitatea de membru al PCR înceta sau se pierdea prin: **demisie**, **excludere** sau **radiere** (cazurile de deces, de pierdere a drepturilor electorale, a cetățeniei române sau în cazul în care se constata neplata cotizației timp de 12 luni consecutiv).

Fondul de arhivă a fost predat în anul 2006 de către Consiliul Județean Argeș, reprezentat de președintele Nicolescu Constantin, în regim de salvare, fără niciun instrument sau sistem de evidență pentru documentele depuse. Ulterior în planurile de activitate ale instituției pe anii următori au fost trecute spre a fi efectuate principalele operațiuni arhivistice de fondare, ordonare și inventariere a acestor documente. Astfel în perioada 2007-2008 au fost duse la îndeplinire activitățile enumerate anterior de către arhiviștii instituției.

Pentru cercetătorii istoriei locale recente, studierea documentelor acestui fond, ca și a celorlalte fonduri arhivistice create de fostele structuri (comitete) ale partidului comunist din regiunea și județul Argeș, poate constitui o importantă sursă de documentare.
